PROFESSIONAL SUMMARY

Procurement professional with approximately 15 years at Diplomata Logística e Transportes, progressing through billing, operations, and Senior Buyer responsibilities. Experienced in strategic sourcing, supplier development, contract negotiation, cost analysis, and procurement of fuel, automotive parts, equipment, and services. Combines hands-on procurement experience with data analysis and technology. Based in Brazil and interested in remote roles with U.S. companies that hire in Brazil.

SELECTED RESULTS

- Reduced average truck-parts costs by 30% while maintaining purchased-material quality.
- Reduced average mechanical and electrical service costs by 26%, while extending payment terms.
- Reduced average diesel procurement costs by 2.36%.
- Negotiated a purchase from BRL 45,000 to BRL 12,500 by identifying alternative suppliers.
- Maintained a 100% service level with the largest customer through team and cross-functional alignment.

PROFESSIONAL EXPERIENCE

Senior Buyer | Diplomata Logística e Transportes

May 2022 to May 2026

Salto, São Paulo, Brazil

- Managed procurement activities and data governance in Excel; sourced and onboarded suppliers; conducted market research and strategic sourcing.
- Negotiated contracts for fuel, automotive parts, equipment, and services, coordinating with Logistics and Operations.
- Delivered cost-reduction results through negotiation, supplier development, and alternative sourcing.

Billing Specialist | Diplomata Logística e Transportes

Mar 2022 to May 2022

Salto, São Paulo, Brazil

- Managed the billing process, reconciled billed amounts and accruals, prepared monthly KPI reports, and supported audits and quality controls.

Billing Supervisor | Diplomata Logística e Transportes

May 2011 to Mar 2022

Salto, São Paulo, Brazil

- Led a five-person team, reviewed daily reports, and coordinated with Sales, Operations, and Finance.
- Helped maintain a 100% service level with the largest customer through team and cross-functional alignment.
